## FEE POLICY

A) Tuition and fees will be invoiced by the end of the previous semester or term. Families have the option to pay in advance or within 10 school days of the payment due date.

B) Tuition will be payable from the start date, prorated based on the number of school days if necessary. Students who start class late, less than 10 days, will pay the full tuition fee. This fee is non-refundable.

## SIBLING DISCOUNT

May be offered where two or more children from the same family enrol; the second child will receive 10%, the third child will receive 15%, and the fourth child will receive 20% off when they enrol at our school.

## LATE PAYMENT

If there is a failure to make two consecutive payments or a failure to communicate with the school, AIA may require the student(s) to remain at home until the balance is paid, and repeated failure to make payments will mean the student(s) may be removed.
